I certify that all of the information provided on the application is correct to the best of my knowledge. I understand that the creditor will rely on the application (including the authorization and certification in this paragraph) in deciding whether to grant the requested credit and the creditor will keep the application whether or not it is approved. I authorize the creditor to (1) check the credit application and its principals, (2) treat the application as an application for any available programs offered by or through the creditor or an affiliate of the creditor for the type of credit requested and (3) transfer information from the application or any credit report internally within the creditor or to any entity owned by or affiliated by corporate control with creditor if the application is approved. I also authorize the creditor to (1) give information about its credit experience with the applicant to others, and (2) obtain credit reports for the administration of the credit granted and for evaluating the applicant's eligibility for other programs offered by or through the creditor or an affiliate of the creditor. I certify that (1) I am authorized to bind the applicant to this application and retail installment purchase and other documents I sign in connection with this transaction, (2) I hold the position with the applicant shown below, and (3) if the applicant is a corporation, the true seal of the corporation is shown below.
